

OfficeMax Retail Connect Card

Dear Campus User,

OfficeMax now offers the "Retail Connect Card" which gives the purchaser the lowest price available at the time of payment for office products purchased at OfficeMax retail stores. When presenting this card, the purchaser will receive the CSUF contracted discount price, **OR** the retail stores regular or sale price, whichever is lowest.

The Retail Connect Card has no monetary value and cannot be used as a method of payment; it only provides access to CSUF contract pricing.

Sample Retail Connect Card

The Retail Connect Card is available to all campus personnel for business or personal use, and is not restricted to Pcard cardholders. However, just like the Pcard, the Retail Connect Card must be returned when employment with the University ends.

If you would like to request a Retail Connect Card, please email officemax@fullerton.edu.

You can also contact Michael Pruitt at ext. 3758 if you have any questions regarding the Retail Connect Card or the Office Supply Program.
