Approving Travel Expense Report

These instructions will cover how to approve three types of Travel Expense Report:

- Travel Expense Report
- Blanket Travel Expense Report
- P-Card Travel Expense Report

Requirements:

A Travel Expense Report will be required if the traveler goes on a University business trip. You must identify all travel expenses that was incurred throughout the trip.

A Blanket Travel Expense Report will be required if the traveler goes on a business trip in California, within a fiscal year (July 1st – June 30th). Blanket Travel expenses will only apply to parking, mileage, tolls, and approved business meals with official University guest.

A P-Card Travel Expense Report will be required if travel expenses are paid on your P-Card for other travelers.

At the end of the instructions, there are reminders on what to check as an approver for each Expense Report.

  Make sure the expense amount matches with the receipt.
  
  **Note:** Ensure there are attachments for expenses requiring it.
Approving Options

After reviewing all tabs, you will see three options:

- **Approve**
- **Approve & Forward**
- **Send Back to User**

- The **Approve** button will approve the Expense Report, and move it to the next approver or notify the employee that the report has been approved.
  - If you do not need to add additional approvers, proceed to Step 9 to **Approve**.

- The **Approve & Forward** button will approve the Expense Report on your end, and will forward the approval request to the next Approver (that you will designate).
  - This option is best for situations where another department is paying for your employee to travel.
  - If you are the Approver for your employee, but another department is paying for your employee to travel, proceed to Step 10 to **Approve & Forward**.

- The **Send Back to User** button will send the Expense Report back to the user.
  - Select this option if the traveler needs to make corrections on the Expense Report.
  - If you are sending the Expense Report back, proceed to Step 11 to **Send Back to User**.
